Bid Responses

Accessibility and Renovation Improvements, Ashmont Station Dorchester, MA

Advertisement Date	9/23/2004
Pre-Bid Meeting Date & Time	October 7, 2004 at 10:00 AM
Bid Opening Date	1/13/2005
Contract Number	S45CN02
Class	CLASS 1, GENERAL TRANSIT CONSTRUCTION
Project Value	\$33,000,000.00
DBE Goal	17 %

Scope of Work:

Work at Ashmont Station consists of the complete reconstruction of the Station including a new Mattapan trolley viaduct and platform. The existing station and viaduct to be removed, only the existing redline tracks and portions of the existing redline platforms are to remain. The new station consists of a roof enclosure that provides two new lobbies with fare lines at either end of the station. Adjacent to Peabody Square, the north part of the site, a new public urban space to be constructed over the redline tunnel. The new bus turn-around to be raised to allow access to the new station lobbies.
